HOME OF THE BULLDOGS

IN MEMORY

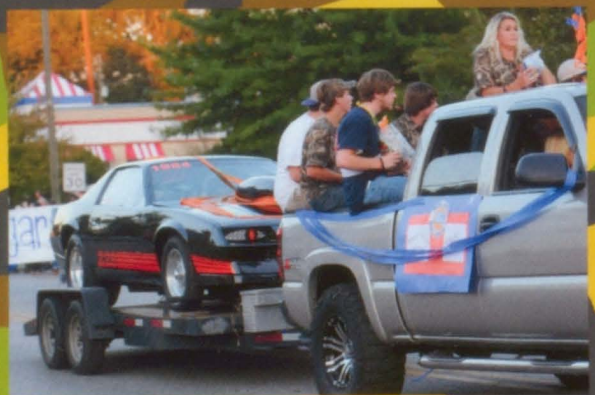
AUSTIN RAY HOLSOMBACK

June 25, 1995-July 28, 2013

Madison Fancher, Sarah Martin, & Alexius Lee carry a banner in memory of Austin in the Homecoming Parade.

Team Austin shirts were a common sight on the first day of school.

We the Senior Class of 2014, dedicate this year's 2014 Montala to Austin Holsomback..... Forever in our hearts, country boy!!



Lisa Holsomback rides in the back of Austin's truck, which is pulling his drag car, in the homecoming parade.

Even though he's gone
his memory still remains in our hearts. His smile and face will never fade.
We think of him as we go on each day
The good times we remember and the days spent together will be in our memories forever.
So when you start to get down
and you really want to cry
Just think of the fun times and don't wonder why.
Just leave it at that and know he's better now.
He's in a better place.
His heart was right with God.
So Austin we love you
and we miss you so much
but we know you're much happier.
So watch over us and make sure we're okay
and we will see you again someday.

"Fly High Country Boy"

THE SETTING

We no longer have to get soaked going out to the FACS & FFA Building thanks to the new walkway!

All part of the picture

WE ARE MONTEVALLO!!!

NEW FACES....NEW SPACES

Our new principal, Dr. Wesley Hester, welcomes students on the first day of school.

The season changes, and we still have signs of construction, but we're on our way!!!

The Alice Boyd Building received some major improvements (left) Ms. Majors loves the new front office and so do we!

"A CHANGE WILL DO YOU GOOD!"

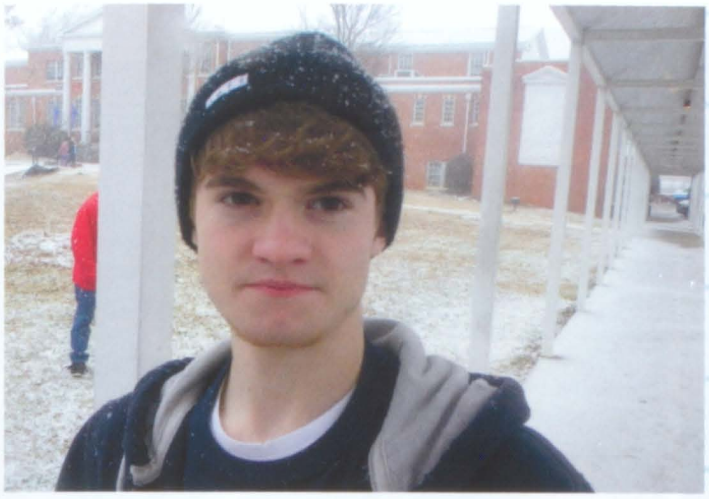
SNOW DAY, 2014



January 28, 2014 started as a normal day at MHS with a weather forecast of a sprinkling of snow with no accumulation expected... By 10 a.m., it was snowing hard AND sticking! Students were released early, but with one small problem...the buses could not run because the roads were already too bad! After many phone calls, most students made it home, however some had to spend the night at school. This was the situation all over Shelby County, but all the students were well taken care of by many teachers & administrators who stayed with them overnight. The "sprinkling" of snow ended up being a "blanket of white" and school was out for the rest of the week!

Christian (Baby Boy)

You've finally made it, and now comes the real world. The blood, sweat, & maybe some tears. As long as you stay close to God, and take in all the good things He can provide, the blood, sweat, & tears will be easier to deal with. We are proud of you and wish you all the best!
